

our **modernist collection** is designed to complement the trend for mid-century modern furnishings and minimalist interior design. featuring iconic architects and designers of the period, these typographic prints evoke those popular during the modern art movement. the le corbusier inspired colour palette of **orange**, **olive** and **chalky turquoise** counterpointed with **charcoal** and **chalk** puts the writing on the wall to create a conversation point.

our **modernist prints** are available in a **range of materials** to suit both **indoor** and **outdoor** spaces, and the texture and feel required.

artworks are offered in **limited edition**, locally made to order to **superlative quality standards**, **in the shape, size and colour you desire**. purchase online or through select interior designers and retailers.

whether you need artworks for **yourself, your clients, a new development, hotel or restaurant**, our signature prints will help create the desired ambience.

our **unique perspex art** is guaranteed to add the wow factor. these gorgeous, high gloss works of art **utilize the transparency of the medium** to full effect, quite unlike common photographic prints that are mounted to perspex. stunning in any interior, and the ideal medium for **outdoor rooms** and **high humidity climates** as well as for **commercial and medical** environments where wipe down surfaces are a key requirement.

our **contemporary canvas prints** offer superlative quality as well as gallery style. **genuine artist canvas, archival inks** and **robust frame construction** ensure that signature prints are made to last. for statement pieces, the **metallic glint of** our *shimmer* canvases creates a compelling focal point in any space.

framed prints are also available for environments where the frameless look is too contemporary.
